Xcent

MULTIPLIES YOUR LIFE

MULTIPLIES X STYLE

Modern, sporty and progressive styling represents the overall exterior theme of the Xcent. The bold front, sleek side and elegant rear profile is accentuated with wrap around lamps, a familiar chrome surround hexagonal grille, diamond cut alloy wheels and chrome door handles. Moreover, design elements like a steeply raked windshield and a rising belt line add to the dynamic character, multiplying its style manifold.

FOG LAMPS

Designed for optimum amplification, the fog lamps ensure safe driving during foggy weather condition.

AUTO-FOLDABLE ELECTRIC MIRROR 15" DIAMOND CUT ALLOY WHEELS

Electrically adjustable and auto-foldable outside rear view mirrors with turn indicator offer you a great comfort and convenience.

2-TONE BLACK AND CHROME FINISH

2-tone black and chrome finish diamond cut 15" alloy wheels impart sporty and dynamic appeal.

REAR CENTER ARMREST

The armrest in the rear doubles up as a support and as a storage space for glasses and small knick knacks.

BOOT SPACE

Best-in-class boot space to accommodate your weekend luggage and other things like shopping bags and picnic baskets etc.

MULTIPLIES X ECONOMY

1.2 KAPPA PETROL ENGINE

The Hyundai Xcent is conferred with an exciting blend of performance and efficiency. The highly acclaimed 1.2 Kappa dual VVT (Variable Timing Value Train) Technology provides you the best of both world – superior mileage and optimum performance.

MANUAL TRANSMISSION

Xcent offers 5-speed manual transmission for smooth and accurate gearshifts.

AUTOMATIC TRANSMISSION

Driving in traffic is a breeze with the 4-speed automatic transmission available in the Xcent.

MULTIPLIES X SAFETY

With Hyundai, safety is always first and the Xcent is no exception as it offers uncompromising safety for all its passengers. Be it passive safety like dual airbags, use of anti-corrosive steel, special welding techniques to enhance body robustness, ring structure to enhance rigidity or active safety elements like ABS and reverse parking sensors with ECM display all work to multiply your safety.

DUAL AIRBAGS

The driver and passenger airbags ensure additional protection to the occupants in the event of a frontal impact.

REAR PROXIMITY WARNING SYSTEM

Sensors in the rear bumper detect objects you can't see while reversing and sound a warning if you get too close.

ABS

The anti-lock braking system prevents skidding and retains the car's steerability on slippery surfaces. It also enables stable braking, restricting wheel lock-up during braking.

MULTIPLIES X COMFORT

The interior of the Xcent can be best described as premium, stylish and classy. The bright and airy cabin with its quality feel and carefully crafted materials sets the scene for many urban adventures. The ergonomically positioned controls, generous legroom and headroom, multiple storage options and class-leading boot space all defy the label of a traditional sedan.

SMART KEY WITH PUSH BUTTON START/STOP

Hi-tech and convenient smart key with push button enables start & stop of the car with just a touch.

STEERING MOUNTED CONTROLS

Multi-function leather-wrapped steering with audio and Bluetooth controls provide an uninterrupted music experience and connectivity.

COOLED GLOVE BOX

It keeps your drinks or eatables cool and refreshing: a highly recommended feature in adverse climate conditions.

REAR AC VENT

The rear AC vent has been designed specially to enhance rear passenger comfort with instant cooling.

MULTIPLIES X CONVENIENCE

Expect the unexpected from Hyundai when it comes to product features. Loads of segment-unique and hi-tech features offer limitless comfort and make your journey an unforgettable experience.

TILT STEERING

Allows the driver to adjust steering as per his/her convenience and makes it comfortable for drivers of all stature.

POWER WINDOW

The ergonomically located switches on the door armrest aid in easy operation of windows conveniently and comfortably.

ECM WITH REAR PARKING ASSIST SYSTEM

Parking is now a breeze with the visually guided parking system in the electro-chromic rear view mirror where a camera helps you align the car in relation to other vehicles and the kerb. ECM automatically senses and reduces light intrusion from vehicle following you and reduces glare.
