UN-COMPROMISED LIVING

Presenting a car beyond the ordinary

It's for those who dare to follow their dreams. The Elite i20 is the enabler of achieving a new dream every day. It's made to compliment your unique personality. Here dynamics meet practicality. It's about cherishing a lifestyle you deserve. So, go out and let every small detail in this car make a big difference. Compromises are passe. A life un-compromised now awaits all the modern elites of Nepal.

EXTERIORS

The feature-richest Hyundai i20 has so much oomph that you will be in awe every time you step into it. So many features beautify this beast and each of them is a testament to its extreme ease and class, Visit the features galore and elevate to a lifestyle extraordinaire.

Wraparound Automatic Headlamps (1st in Segment)

The wraparound automatic headlamps in the new i20 project the best of style & functionality.

Front Fog Lamps

Sporty fog lamps complement the headlamps with their stylish design and provide maximum penetration in foggy driving conditions.

Uniquely Designed Stylish Tail Lamps

The uniquely designed 3-step stylish tail lamps feature a distinctive, stylish design and provide optimal visibility and safety.

Turn Indicator Outside Mirror

Aerodynamically sculpted stylishly-shaped body colored ORVM mirrors features LED light indicator to promote safer lane changes and increased visibility when turning.

Chrome Door Handle

The chrome-coated door handle is striking on the eye and lends a premium look.

R16 Diamond-Cut Alloy Wheels (1st in Segment)

The stylish dual tone R16 diamond cut alloy wheels impart a sporty and dynamic appeal.

INTERIORS

2 DIN Audio with 1GB Memory (1st in Segment)

The Elite i20 with its next generation music system is equipped with 8 speaker system, Bluetooth & first-in-segment 1 GB internal memory. Also, USB & AUX ports connect your car to all your favorite gadgets.

Front & Rear Seating

Ergonomically designed front seat is well contoured to provide sufficient thigh & back support. The rear seats are spacious & well cushioned, offers best thigh & back support for comfortable and fatigue free journeys.

Height Adjustable Driver Seat

The feature adjusts the driver seat for customized driving position.

Multi-Function Steering

On your finger tip, you set control over important functions: Audio, Bluetooth & cluster settings, thereby offering minimum distractions and maximum convenience & safety.

Beige & Black Interior

The interior of all new Elite i20 is stylish, luxurious & up-market echoing the stylish tone set by outer shell with a generous flair of comfort & high level of premiumness.

Rear Seat 60:40 Split

The 60:40 split provide the versatility to customize both storage & cargo space as per need.

COMFORT & CONVENIENCE

Rear AC Vents

The rear AC vents has been designed to enhance rear passenger comfort with instant cooling during summers & heating during winters.

FATC with Cluster Ionizer (1st in Segment)

The fully automatic AC maintains the desired cabin temperature and cluster ionizer generates ions to purify & deodorize cabin for a healthier & pleasant drive.

Glove Box Cooling

The spacious glove box comes with cooling function to keep the beverages/confectionaries cool & fresh.

SAFETY & TECHNOLOGY

Tilt and Telescopic Steering

The steering column features a telescopic as well as a tilt adjustment as per convenience to ensure the perfect driving position.

One Touch Turn Signal

Convenient one-touch function to warn lane change intention to the rear traffic, hence ensuring safe driving.

Auto-Foldable Electric Mirror

The outside mirrors automatically open & close when the car is unlocked/locked.

Smart Key with Push Button Start

Smart key adds to convenience & push button enables start and stop of the car with just a touch.

The front dual airbags act as a supplementary restrain system preventing injury incase of front impact.

Steering Adaptive Parking Guidelines (1st in Segment)

The rear camera parking guidelines are steering angle sensitive & curve as per the steering position to precisely guide the vehicle during complex congested parking space.

Reverse Parking Sensors

On activation of reverse gear, the sensors with their built-in buzzer system alert the driver about the proximity of rear obstacles.

1.2L Kappa Dual VVT Petrol Engine

The refined & smooth 1.2L Kappa engine comes with latest dual VVT technology, offering the optimum combination of power, mileage and refined performance.

Headlamp Escort Function

Allows the headlamp to be in ON condition for a limited time after the car is locked to illuminate the path if parked at a dark location.

Smart Pedal (1st in Segment)

During simultaneous operation of the brake & accelerator pedal, the smart pedal overrides the accelerator pedal & applies brake only.

Anti-Lock Braking System (ABS)

The Anti-lock braking system prevents skidding and retains the car steering on slippery surfaces. It also enables stable braking and restricts wheel lock-up during panic braking.

Impact Sensing Door Unlock

In case of collision the door gets unlocked automatically to allow safe & quick exit to passengers.
