LIVE ACTIVE

Introducing the Hyundai i20 Active

A mundane lifestyle is for those who like to play safe. But those who dare to escape the everyday are the ones that live life in the active zone. Presenting the all new Hyundai i20 Active. With many first-in-segment features and the fluidic 2.0 design philosophy, this car is built to make everyday an adventure.

ACTIVE EXTERIORS

Style has never been so flamboyant. The fluidic 2.0 design philosophy is changing the way we look at style. Designed to perfection, this funky yet functional beauty is something that you have been always waiting for. The aggressive front grille with multi-feature lamps, the glossy black finish pillar and tailgate spoilers, make this car an active drive.

Hi-Tech Headlamps (Unique)

The distinctively designed swept-back projector headlamps with LED position lamps, cornering lamps and DRLs complement the bold and aggressive styling while the auto-light function automatically turns on the headlamps in dark locations.

Skid Plates with Tusk Bar

Large and protruding front skid plates add a muscular character to the car.

Unique designed Tail Lamp

Hi-tech and uniquely designed 3-step wraparound tail lamps provide optimal visibility and safety.

Roof Rails

The silver finish roof rails enhance the rugged appeal of the i20 Active.

Shark Fin Antenna

The small & efficient radio antenna is aesthetically pleasing and adds to the stylish looks of i20 ACTIVE.

Reflector with Reverse lamp

Hi-tech and uniquely designed 3-step wraparound tail lamps provide optimal visibility and safety.

R16 Diamond Cut Alloy Wheels

Uniquely designed 10-spoke funky alloy wheels have a distinctive, dynamic and sporty appeal.

ACTIVE INTERIORS

The Hyundai i20 Active has everything you'd expect from a spunky new car. With splendid design and bright-coloured seats (with the option of Tangerine Orange and Aqua Blue), it certainly captures the imagination of everyone who sees it. The cabin space is generous because we know that wherever you go, you want your friends and lifestyle to go with you.

Ergonomically designed front seats provide excellent support and grip in all driving conditions while the rear seats provide excellent thigh and back support for comfortable journey.

117.77cm Touchscreen AVN with IPS Display

The smart large 117.77cm Touchscreen AVN System comes with Smartphone Connectivity – Apple Car Play, Android Auto and Mirror Link which is Best in Segment.

Multi-function steering wheel

You can set, control important functions on your finger tip: Audio and Bluetooth controls, thereby offering minimum distractions and maximum convenience and safety.

Hyundai iBlue Smartphone App for Audio Remote Control*

High on utility front and rear door map pockets are deep & spacious, very useful for storing map guides & multiple size bottles

ACTIVE COMFORT & CONVENIENCE

Comfort is what makes every drive a pleasurable one. That's why, every inch of the Hyundai i20 Active spells of comfort and convenience. There are many features and specifications that are exclusively designed and conceptualised for those who like to do things effortlessly.

Rear AC Vents

The rear AC vents have been designed to enhance rear passenger comfort with instant cooling during summers and heating during winters.

Power window controls with illumination

i20 Active comes with multi-function controls ensuring convenient driving and acts as arm rest for added comfort.

USB Charger

i20 ACTIVE is equipped with a USB charger which will ensure you don't run out of phone battery when on the move.

Glove box cooling

The spacious glove box comes with cooling function to keep the beverages/confectionaries cool & fresh.

Front Console Armrest with Storage Box (Unique)

The front armrest provides support to arm and houses a generous storage.

SAFETY & ACTIVE FUTURISTIC TECHNOLOGY

The Hyundai i20 Active has safety measures that always help you feel at ease. Hyundai believes that every little safety detail can enhance your driving experience. So when you're chilling with your friends on a nice evening out in the car, safety will always be there.

Dual Airbags

The front dual airbags act as a supplementary restrain system preventing injury incase of a front impact.

Rear defogger lines

The feature removes the mist on rear windshield during foggy or rainy weather conditions to ensure proper visibility of traffic from rear.

Reverse Parking Sensors

On activation of reverse gear, the sensors with their built-in buzzer system alert the driver about the proximity of rear obstacles.

Headlamp Escort Function

This feature allows headlamp to be ON for a limited time after the car is locked.

Smart Pedal (Unique)

During simultaneous operation of the brake and accelerator pedal, the smart pedal overrides the accelerator pedal and applies brake only.

Anti-lock Braking System (ABS)

The anti-lock braking system prevents skidding and retains the car steering on slippery surfaces. It also enables stable braking and restricts wheel lock-up during panic braking.

Petrol Engine

The refined and smooth 1.2 L Kappa engine comes with latest dual VTVT technology, offering the optimum combination of power, mileage and refined performance.

5 Speed Manual Transmission

The 5 speed petrol transmission in petrol i20 Active offers highly responsive acceleration to make your drive a smooth experience.
