HYUNDAI NEW THINKING. NEW POSSIBILITIES.

i20 **Active**

LIVE ACTIVE

Introducing the Hyundai i20 Active

A mundane lifestyle is for those who like to play safe. But those who dare to escape the everyday are the ones that live life in the active zone. Presenting the all new Hyundai i20 Active. With many first-in-segment features and the fluidic 2.0 design philosophy, this car is built to make everyday an adventure.

ACTIVE EXTERIORS

Style has never been so flamboyant. The fluidic 2.0 design philosophy is changing the way we look at style. Designed to perfection, this funky yet functional beauty is something that you have been always waiting for. The aggressive front grille with multi-feature lamps, the glossy black finish pillar and tailgate spoilers, make this car an active drive.

Hi-Tech Headlamps (Unique)

The distinctively designed swept-back projector headlamps with LED position lamps, cornering lamps and DRLs complement the bold and aggressive styling while the auto-light function automatically turns on the headlamps in dark locations.

Skid Plates with Tusk Bar

Large and protruding front skid plates add a muscular character to the car.

Side Moulding and Cladding

Blackened cladding on wheel arches and side lends tough and macho SUV exterior looks.

Auto-foldable Electric Mirror with Welcome Function (Unique)

The outside mirrors fold/unfold automatically whenever the car senses the key near the door.

Unique Designed Tail Lamps

Hi-tech and uniquely designed 3-step wraparound tail lamps provide optimal visibility and safety.

Roof Rails

The silver finish roof rails enhance the rugged appeal of the i20 Active.

R16 Diamond Cut Alloy Wheels

Uniquely designed 10-spoke funky alloy wheels have a distinctive, dynamic and sporty appeal.

ACTIVE INTERIORS

The Hyundai i20 Active has everything you'd expect from a spunky new car. With splendid design and bright-coloured seats (with the option of Tangerine Orange and Aqua Blue), it certainly captures the imagination of everyone who sees it. The cabin space is generous because we know that wherever you go, you want your friends and lifestyle to go with you.

Ergonomically designed front seats provide excellent support and grip in all driving conditions while the rear seats provide excellent thigh and back support for comfortable journey.

Advanced Informative Supervision Cluster (Unique)

The aesthetically designed cluster with its blue and white illumination is soothing to the eye and informative at the same time.

Sunglass Holder

Conveniently located at front map lamp, a safe place to keep your sunglasses.

Multi-function steering wheel

You can set, control important functions on your finger tip: Audio and Bluetooth controls, thereby offering minimum distractions and maximum convenience and safety.

ACTIVE COMFORT & CONVENIENCE

Comfort is what makes every drive a pleasurable one. That's why, every inch of the Hyundai i20 Active spells of comfort and convenience. There are many features and specifications that are exclusively designed and conceptualised for those who like to do things effortlessly.

Rear AC Vents

The rear AC vents have been designed to enhance rear passenger comfort with instant cooling during summers and heating during winters.

Tilt and Telescopic Steering

The steering column features a telescopic as well as a tilt adjustment as per convenience to ensure the perfect driving position.

Two Din Audio with 1GB memory (Unique)

The i20 Active is equipped with an advance music system with 8-speakers, Bluetooth and first-in-segement 1GB internal memory.

FATC with Cluster Ioniser (Unique)

The fully automatic AC maintains the desired cabin temperature and cluster ionizer generates ions to purify and deodorize cabin for a healthier and pleasant drive.

Front Console Armrest with Storage Box (Unique)

The front armrest provides support to arm and houses a generous storage.

SAFETY & ACTIVE FUTURISTIC TECHNOLOGY

The Hyundai i20 Active has safety measures that always help you feel at ease. Hyundai believes that every little safety detail can enhance your driving experience. So when you're chilling with your friends on a nice evening out in the car, safety will always be there.

Dual Airbags

The front dual airbags act as a supplementary restrain system preventing injury incase of a front impact.

Headlamp Escort Function

This feature allows headlamp to be ON for a limited time after the car is locked.

Steering Adaptive Parking Guidelines (Unique)

The rear camera parking guidelines are steering angle sensitive and curve as per the steering position.

Smart Pedal (Unique)

During simultaneous operation of the brake and accelerator pedal, the smart pedal overrides the accelerator pedal and applies brake only.

Reverse Parking Sensors

On activation of reverse gear, the sensors with their built-in buzzer system alert the driver about the proximity of rear obstacles.

Anti-lock Braking System (ABS)

The anti-lock braking system prevents skidding and retains the car steering on slippery surfaces. It also enables stable braking and restricts wheel lock-up during panic braking.

The i20 Active is powered by two performance-packed, proven and reliable engines- 1.2L Kappa Dual VTVT petrol engine and 1.4 L U2 CRDi diesel engine.

Petrol Engine

The refined and smooth 1.2 L Kappa engine comes with latest dual VTVT technology, offering the optimum combination of power, mileage and refined performance.

5 Speed Manual Transmission

The 5 speed petrol transmission in petrol i20 Active offers highly responsive acceleration to make your drive a smooth experience.

Diesel Engine

The powerful and efficient 1.4L 'U2' CRDi engine is among the technologically advanced engines from Hyundai diesel family and has a proven track record for its reliable, durable and powerful presence.

6 Speed Manual Transmission

The effortless, yet zippy 6 speed diesel transmission is sure to keep you ahead of the pack without burning a hole in your pocket.
