## NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individual's lifestyles, and it became an integral part of their lives. At the same time, the automobile industry has experienced seismic change. Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.

 **HYUNDAI** | NEW THINKING.  
NEW POSSIBILITIES.

The New 4S FLUIDIC  
**VERNA**  
The World Sedan

THE  
**4S**  
ADVANTAGE

The new 4S Fluidic Verna has redefined the way the world looks at sedans. It has evolved. And has reached the next level. Creating a revolution. A revolution we call 4S. Stylishly designed. Sophisticated interiors. Speedy performance. And a Safer drive. The 4 strengths of the new Verna. It's time to get behind the wheel of the new revolution.

**1S** TYLISH EXTERIORS

**2S** OPHISTICATED INTERIORS

**3S** PEEDY PERFORMANCE

**4S** AFER DRIVE

## EXTERIORS

Style was never this stylish. The new 4S Fluidic Verna has a bold presence on the road that is sure to woo millions. Stylish front and back bumpers. Front fog lamps perfectly wedged with the headlamps. Distinctive wing shaped front grille. Sporty alloy wheels. Get ready to turn heads.

### Wing Shaped Front Grille

Hyundai's new design cue makes the Verna more premium and elegant.

### Rear Chrome Garnish & Dual-tone Bumper

Brings together the rear profile in an eye-catching manner while the bumper enhances the sporty appeal.

### Projector Headlamps

The best of style and functionality. Provides superior visibility at night.

### Rear Combination Lamps

Distinctive and stylish. Delivers high visibility illumination

### Electric Folding Outside Mirrors with Side Repeaters

Electronically adjustable and foldable body-coloured side mirrors have in-built LED turn indicators for style and safety.

## INTERIORS

The beauty of the new 4S Fluidic Verna is not just skin deep. Mirrored around the fluidic design philosophy the new 4S Fluidic Verna's interiors are modern, hi-tech and luxurious.

### Two DIN Audio with 1GB Memory (Unique)

Next-gen music system equipped with 4 speakers and front tweeter. USB and AUX-IN ports to connect your favorite gadgets.

### FATC with Cluster Ionizer (Unique)

Maintains desired cabin temperature and keeps the cabin purified and deodorized.

### Multi-Function Steering Wheel

Fingertip controls offer minimum distractions and maximum convenience and safety.

### Keyless Entry with Folding Key

A careful design ethos can be found in the ignition key console which has a convenient folding bayonet for remote locking and unlocking.

### Tilt Steering

Tilt adjustment for perfect steering position.

## SAFETY

You'll always stay in control with the new 4S Fluidic Verna. Because at Hyundai safety never takes a backseat. Dual Airbags. ABS with EBD. Reverse Parking Sensors. And many more top-of-the-line safety features ensure that you reach your destination safe everyday. Every time.

### Dual Airbags

The new 4S Verna offers 2 airbags for the driver and front passenger to prevent possible injury at the time of front collision.

### ECM with Rear Parking Camera Display

The Electro-Chromic Mirror automatically senses and reduces light intrusions and glares. It also displays the rear with colour guidelines for complex parking spaces.

### Reverse Parking Sensors

On activation of reverse gear, the sensors alert the driver of rear obstacles.

### Anti-Pinch Power Windows

Detects obstacles and automatically stops the driver window movement preventing any injuries.

### Anti-lock Braking System with EBD

Prevents skidding in slippery conditions. The EDO distributes the brake force on all the four wheels for stable braking.

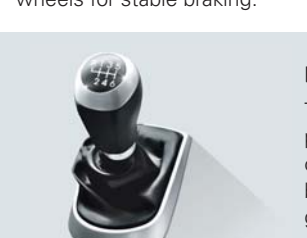

### Headlamp Escort Function

Headlamp stays on for a limited time after the car is tacked to guide at dark locations.

### Petrol Engine

Lightweight and built with the latest technology, the new generation Petrol engine of the new 4S Fluidic Verna is quiet, responsive and robust. The 1.6 L VTVT MT petrol engine delivers segment best maximum power & torque of 123 ps & 15.8 kgm respectively.

### Manual Transmission

The 5 speed petrol manual gearbox provide smooth, noiseless shifting of gears thanks to the key and ball-type synchromesh, optimized gear-tooth shape and precision matching.
