

# CRETA Electric

Electric is now CRETA.

# Nepal is ready to drive the future.

The all-new Hyundai CRETA Electric is here, perfectly aligned with Nepal's shift toward a greener, more advanced driving experience. Designed for a new era of explorers, it blends power, style, and efficiency - giving you the freedom to move without limits. The road ahead is electric. Step in and experience what's next.

# Power pose on wheels.

One look is never enough when you are looking at the Hyundai CRETA Electric. The pixelated graphic grille, and pixelated graphic front and rear bumper give it a tech-inspired look. CRETA Electric's road presence makes a bold statement that the ultimate Electric SUV has arrived. Attention given to the details is a part of its design philosophy. Like the R17 (D=436.6 mm) aero alloy wheels with Low Rolling Resistance (LRR) tyres, and puddle lamps with H logo projection and welcome function, that give it a distinct personality.

Charging port with multi-colour surround light and state-of-charge (SOC) indicator

Active air flaps (AAF)###

Pixelated graphic front grille

Pixelated graphic rear bumper

R17 (D=436.6 mm) Aero alloy wheels with Low Rolling Resistance (LRR) tyres

**Other features :** Bold & muscular SUV stance | LED headlamps & tail lamps | LED sequential turn indicators

###Functionality of active air flaps is dependent on multiple factors.

# Performance beyond belief.

The stunning Hyundai CRETA Electric is powerful enough to be driven across any landscape. Three drive modes (Normal, Eco and Sport) with the ADAS-linked regenerative braking make sure you come back for more after you have stepped out.

200 mm Ground Clearance

Break over Angle

Battery pack options: 51.4 kWh and 42 kWh

126 kW (171ps) with 51.4 kWh Batter pack

Drive mode select : Normal | Eco | Sport

Battery heater~~

Other features : Cruise control

\*Range as per AIS 040 (Rev.1) (km) ARAI certification under controlled conditions for 51.4 kWh new battery pack. ©Basis HMIL internal testing under controlled conditions for 51.4 kWh new battery pack. ~~For 51.4 kWh battery pack.

# Make time for space.

Step inside Hyundai CRETA Electric and get transported to a world of calm. The dual tone navy and gray interior complements your lifestyle. The dual curvilinear screens 26.03 cm (10.25") (HD infotainment and digital cluster) ensure everything you need is right in front of you. The three-spoke EV unique steering wheel with morse code "H" for Hyundai, the floating console and the trendy horizontal AC vents with soothing ocean blue ambient light masterfully blends technology and style.

Floating console with surround ocean blue ambient light

Dual curvilinear screens - 26.03 cm (10.25") (Infotainment and cluster)

Spacious cabin - generous legroom & kneeroom

Eco-friendly seat upholstery with CRETA Electric branding---

Recycled PET bottles

Corn extract

Other features : Front armrest with cooled storage | 3-spoke steering wheel

# If indulgence had a shape.

Hyundai CRETA Electric's interior exudes opulence. Attention has been given to maximise comfort and convenience. The expansive space ensures there is enough room for your loved ones. And the best part is, you don't have to make the effort to adjust the seat whenever you get behind the wheel. The driver memory seat with welcome retract remembers your preferred driving position and lets you relax while you are driving.

6 way driver seat

Frunk (22 l)

Enhance range efficiency with an adaptable dual-zone AC setting.

Spare Tyre

Powered driver memory seat with welcome retract

Foldable seatback table with IT device holder and retractable cupholder

Front ventilated seats (Driver and Passenger)

**Other features :** Rear window sunshade | Rear seat armrest with cupholders | LED luggage lamp | Easy ingress/egress | Rear AC vents with Type-C USB (x2)  
Dual zone automatic temperature control (DATC) with touch function

# Experience evolution.

Hyundai CRETA Electric's technology is very intuitive. Care has been taken to focus on your convenience. And if you feel like you need some fresh air and sunlight, just give the voice command and the voice-enabled smart panoramic sunroof will do the rest.

Voice-enabled smart panoramic sunroof

Shift by wire (SBW Column type)

Vehicle-to-Load (V2L) inside

Bose premium sound - 8 Speaker system with front central speaker & sub-woofer

AC charging\*

11 kW

Fast AC home charging 4 hours~ (10% to 100%) with 420 voltage.

Portable charging cable

DC charging

Fast charging

58 min (10% to 80%)<sup>®</sup>

# Take charge. Get going.

Hyundai CRETA Electric is meant to overcome everything that limits you. And that includes the charge in your car. With both AC and DC charging options to power your journeys, the car is designed to get you on the road, faster. Because when you are ready to go, your CRETA Electric would be too.

**Other features :** 268 Embedded voice commands

\*To be purchased separately

# Wrap yourself in safety.

At Hyundai, your safety has always been our top priority. And Hyundai CRETA Electric is no different. With more than 75 advanced safety features, 6 airbags, all 4 disc brakes and many other useful features, this electric SUV gives you the confidence to take on journeys short and long, on the road and off it.

Rain sensing wipers

Electric parking brake with auto hold

Front, Side & Curtain Airbags (Standard across all variants)

Virtual engine sound system (VESS)

Hill-start assist control (HAC) & Hill descent control (HDC)

Tyre pressure monitoring system (TPMS) Highline

Other features : ECM IRVM | Autolight control | Driver anchor pretensioner (DAPT) | 3-Point seat belt & seat belt reminder for all seats

# Hyundai SmartSense

## Level 2 ADAS 19 Features

Hyundai CRETA Electric is alive with Hyundai SmartSense-Level 2 ADAS. It assists the driver by deploying advanced safety features thereby making the road safe for the passengers and the pedestrians as well. Now you can look forward in a relaxed manner and devote yourself to the most important thing, the pleasure of driving. And let the advanced driver assistance system be your reliable companion that ensures you master every challenge on the road with confidence.

Smart Cruise Control with Stop & Go (SCC with S&G)

Blind-spot Collision - Avoidance Assist (BCA) & Blind-spot Collision Warning (BCW)

Surround view monitor (SVM)

Blind-spot view monitor (BVM)

Driver Attention Warning (DAW)

Safe Exit Warning (SEW)

High Beam Assist (HBA)

Rear Cross - Traffic Collision - Avoidance Assist (RCCA) & Rear Cross - Traffic Collision Warning (RCCW)

Hyundai SmartSense, the Advanced Driver Assistance System is not a substitute for safe and attentive driving. Its effectiveness depends on various factors. Availability of Hyundai SmartSense features may differ by variants. Refer owners manual for more details.

# Chase the rainbow. With colours of your own.
